

kernel/rendering/font
_factory.h

```
graph TD; A[kernel/rendering/font_factory.h] --> B[string]; A --> C[freetype2/ft2build.h];
```

The diagram illustrates a header file dependency. At the top, a grey rectangular box contains the text 'kernel/rendering/font_factory.h'. Two blue arrows originate from the bottom edge of this box. The left arrow points to a white rectangular box containing the text 'string'. The right arrow points to another white rectangular box containing the text 'freetype2/ft2build.h'.
